College imparts high quality education in 7 humanities (B.A.) and 5 science (B.Sc.) subjects. It is also recognized under UGC act - 12b & 2F.

## Theme of the Seminar

Presently, India is facing many colossal global challenges related to socio-economic, security, environmental issues and most recent global pandemic covid-19 which has exposed our weaknesses at many levels. Millions of people are at the risk of falling into pit of poverty. Ill effects of pandemic have threatened existence of lakhs of enterprises at various levels. As a result, a large number of engaged workforce is on the verge of unemployment. Additional risk is being created in which there is a danger of escalation of heinous social evils like child labour, child sexual abuse and prostitution. To deal with these problems incorporating lack of jobs, poverty, malnutrition, social insecurity, non-availability of sufficient health facilities especially in rural areas and environmental concerns due to climate changes etc. need to be taken care of. our country has actively contributed to tackle these challenges and also rendered help at the world level. In this background, the current seminar envisages a focused deep and meaningful discussions and understandings.
